Agents in charge of a particular group need to bring a 4-H leader to assist them in their duties.

Agent and Leader Duties

- *Arrive **prior to 9:30 a.m.** and be in the assigned dressing room to greet participants and check to be sure they are in the correct division dressing room.
- *At **9:30 a.m.** the agent in charge of the group should attend the judges orientation. The 4-H leader assisting the agent in that group should remain in the designated dressing room to work with participants. *Parents may stay in dressing rooms and help participants dress until **10:00 a.m.** They must then be excused to the designated parent area. No exceptions!
- *After 10:00 a.m. all participants must remain in their designated dressing room or with their group agent or volunteer until after the public style show and awards. Don't let participants "roam around" the school. They should stay in the dressing room or judging room.
- *Work with judges to answer questions and develop plan for judging. Determine judging order so that critique sheets are in order of judging prior to beginning judging. Judging may be done in alphabetical order by county. Determine amount of time available for judging each individual and allot time for judges to complete critique sheet and write comments.
- *In divisions that have required paperwork (buying worksheets, etc...) allow judges time to review these prior to the participant coming in for their interview. Judges may wish to review all the paperwork prior to any interviews. Work with the judges on their preferences.
- *If judges wish, bring the entire division before the judges prior to beginning individual judging and again after the last individual has been judged.
- *Take individual participants to judging room to be judged.
- *Stay on schedule. Be sure of when your group is to be judged and when they are to go to modeling practice and when they are to go to lunch. Refer to the official "schedule of activities".
- *Participants eligible for cotton or wool awards will be designated on the list of division participants. The judges will select one cotton award recipient from those eligible in each division. This will be recorded on the result sheet for that division. Distribution of Wool awards for seniors will be determined based upon the number eligible.
- *After judging, judges will rank the top five participants and designate any natural fiber award recipients, record on ranking sheet and the agent in charge of the division will submit the ranking sheet to the results room.
- *At 12:45 p.m. move group to designated seating area in auditorium.
- *During the style show, escort your group to the back of the stage as the group before you models. Line them up alphabetically by county as they did during modeling practice.
- *After modeling, escort group back to designated seating area and remain as a group until the conclusion of the style show.
- * FOLLOWING THE STYLE SHOW, PUT DRESSING AND JUDGING ROOMS BACK IN ORDER. CLEAN UP AND CHECK TO SEE THAT NO ITEMS HAVE BEEN LEFT BY PARTICIPANTS.
