D3 4-H HORSE AND BEEF QUIZ BOWL

Direct/Individual Questions

Value = +1 point/correct: -1 point/incorrect

- A. There will be eight direct/individual questions read.
- B. During the direct/individual question round, only one team member is eligible to respond to a given question. Direct/individual questions will be alternated from team to team.

Example

<u>Team A</u>	<u>Team B</u>
Team member 1 (team captain) - 1 st direct question	Team member 1 (team captain) - 2 nd direct question
Team member 2 - 3 rd direct question	Team member 2 - 4 th direct question
Team member 3 - 5 th direct question	Team member 3 - 6 th direct question
Team member 4 - 7 th direct question	Team member 4 - 8 th direct question

- C. The designated person has 10 seconds to answer their direct question. The contestant must buzz in to answer the question. If the team member buzzes in and cannot answer the question, they lose a point. Team members may not discuss the question.

Toss-up Questions

Value = +1 point/correct: -1 point/incorrect

- A. The moderator reads each question until completed or until a contestant activates a buzzer. Any member of either team may respond. If the allowed time elapses (10 seconds) without a contestant activating a buzzer, there is no loss or awarding of points to either team.
- B. If a buzzer is activated during the reading of a question, the moderator immediately ceases the reading of the question. The contestant activating the buzzer has 10 seconds after being recognized by the moderator to begin to answer the question.
 - To answer any question, the participant(s) must buzz in and be acknowledged by the moderator. In the event a participant answers a question without being acknowledged, a one point deduction from the team score will occur.
 - The repeating of the question by the contestant is not considered the initiation of an answer.
 - It is the responsibility of the moderator and/or time keeper to determine if the actual answer has been started within the 10 second period. This ruling cannot be protested.
- C. If the answer to any question, whether read to completion or not, is incorrect, the question is not repeated for the opposing team and is discarded.

D3 4-H HORSE AND BEEF QUIZ BOWL

- D. If the answer to a question is begun during the 10 second period and the answer is incorrect, that team will lose the point associated with that question.
- E. If the question is correctly answered and initiated within the 10 second time period, that team is given the 1 point associated with the question.
- F. No discussion among team members is allowed.
- G. A bonus question may be attached to any toss-up question. No more than 1/4 of the toss-up questions will have a bonus question attached.

Bonus Questions

Value = +2 point/correct; 0 points/incorrect

- A. If a bonus question is attached to a correctly answered toss-up question, the moderator reads the bonus question to completion. Upon completion, the team can confer for a 10 second period to determine the answer. Following the consultation period, the designated team member, chosen by the team during consultation, must buzz in and is given the normal 10 second period to begin answering the bonus question. Successful completion of the answer to the bonus question results in that team being awarded an additional two points. All parts of the bonus answer must be correct for points to be awarded. If the bonus question is not answered correctly, there is no deduction of points.
- B. No part of the bonus question may be repeated nor may additional information be given to the contestant.
- 7. The moderator continues to read all toss-up questions and any bonus questions until either signaled by the timer that time has expired for that period of play, or all the questions in that packet have been used.
- 8. Following the final question, the team with the highest number of points is declared the winner.
- 9. Ties between teams at the end of a regulation match are broken by asking five additional toss-up questions, each being worth one point. If a tie still exists following the five question overtime period, the moderator continues to read toss-up questions, each being worth one point. The first team to win a point or taking a one point advantage due to the loss of one point by the opposing team is declared the winner.
- 10. Horse Quiz Bowl will follow the rules and procedures listed in the 1999 revision of the Texas 4-H Quiz Bowl Guide, 4-H 3-2.030.
- 11. Beef Quiz Bowl will follow the rules and procedures listed in the 1999 revision of the Texas 4-H Quiz Bowl Guide, 4-H 3-2.020.
