Note: Each youth must have a handgun/ammo parental authorization in their possession at the firing line to participate in the pistol matches (see attachment 1). All youth will be checked on the line for this form. Failure to have the form will disqualify the competitor.

KNOWLEDGE OF THE MATCH: While we want full participation from all District Counties and many of our shooters are beginners, Range Safety is paramount. We are pressed for time in nearly all events and a formal competition is not an instructional training period. It is essential that all shooters understand the rules, the event procedures, and line commands and possess the basic skills in each discipline in which they are to shoot. We will require the rim-fire certification for all pistol shooters. A

copy of the form is attached. Pistol shooters must know the range commands, the course of fire that will be used, and are able to load their guns as well as clear a misfire without assistance. Please bring only shooters who will be able to fire the match safely. The range safety officers may disqualify any shooter that cannot safely manage their gun. They will assist junior shooters as required and will assist shooters in other classes at the discretion of the range officer.

Scoring: All Scoring will be done off of the line. The targets will be collected by the range officers and transported to the scoring facility. **Please note: Parents and Coaches if you need to record the target please take a picture of the target as it is critical the targets be turned into the scoring facility as soon as possible.**

In scoring USA 50 Rifle Targets an inward 22 caliber Plug Gauge will be used for all scoring rings, including the 10 point dot. The inward ring needs to only touch the scoring ring to score the higher value.

Tie Breakers: Refer to section 15 in the Texas Shooting Sports Project Pistol Rules (2014) at this link: <https://texas4-h.tamu.edu/projects/shooting-sports/>

Target Review: All shooters will have an opportunity to inspect their targets. Targets will be available for review from 1:00 pm to 3:00 pm. Targets will be reviewed at location #1.

Challenges: **If the shooter feels a target was scored improperly, a challenge fee of \$5.00 will be enforced in the 2023 contest. Training by NWTFS will be required for those scoring targets.** Challenges are part of the target review process. Scoring of all targets may be reviewed by the **shooter only (juniors may have help)**. He or she may challenge the scoring if they feel it is incorrect for any reason. Shooters must have challenge money with them for a challenge. If the challenge is upheld, the score will be adjusted and the fee will be returned to the shooter. If it is denied the funds will be deposited in the Texas 4-H Shooting Sports General Fund. No fee is required to point out mathematical errors. **(Shooters are encouraged to bring their own calculator)**

Protests: Shooters **only** may protest any injustice, violation of the rules, or other circumstance that may have resulted in placing them at a disadvantage relative to other shooters. Such conditions **must** be reported to a line safety officer **immediately**. If satisfaction is not obtained, the situation should be reported immediately to the Official Calling the particular Match. If resolution is not reached at this point, the shooter **only** has the right to present a written protest with a \$20 protest fee to the Chief Match Director (event manager) within 1 hour of the time their squad has finished firing or score was posted. A Jury will investigate and reach final resolution of the matter as soon as possible, considering all events. Disposition of these fees is as above under challenges.

Fan Interference: Disruption by parents, coaches or other individuals will not be permitted. Sanctions ranging from a warning to ejection from the grounds or disqualification of an entire team or shooter will be imposed for interference with the operation of the match or disruption of the events on a firing line or field. Every effort will be made to keep these events fair, kid centered and positive.

Coaching: Coaching will not be permitted during the Pistol phase of the competition. Pistol competition does not allow any talking on the firing line during the match. Coaching includes any communication between the coach, parent or other spectator and the shooter, verbal or non-verbal.

The shooter may request assistance from a range officer and the range officer will work to resolve the problem for the shooter. Junior shooters may require more assistance and the coaches will be allowed to provide that assistance.

Coaching will be allowed in the Rifle events.

Coach Removal: The tournament management reserves the right to remove any coach from the firing line if his or her behavior is deemed detrimental or distracting to their own shooter or others. Coaches should remain positive and supportive, being careful not to disrupt other shooters. In the event that a coach is removed from the firing line, another coach may substitute for him/her at the discretion of the range officer.

2022-2023 TEXAS 4-H YOUTH DEVELOPMENT PROGRAM

DISTRICT 3 4-H RIFLE & PISTOL SHOOT

CAMP & ENRICHMENT PROGRAM

WAIVER, INDEMNIFICATION, AND MEDICAL TREATMENT AUTHORIZATION FORM

1. EXCULPATORY CLAUSE. In consideration for receiving permission to participate in any and all activities of Texas 4-H (“activity”), which is sponsored by Texas A&M AgriLife Extension Service and Texas 4-H Youth Development Program, (“sponsor”), a member of The Texas A&M University System, I hereby release, waive, covenant not to sue, and agree to hold harmless for any and all purposes sponsor, The Texas A&M University System, the Board of Regents for The Texas A&M University System, and their members, officers, agents, volunteers, or employees (“RELEASEES” or “INDEMNITEES”) from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney’s fees and expenses, that may be sustained by me while participating in this activity, while traveling to and from the activity, or while on the premises owned, leased, or controlled by RELEASEES, **including injuries sustained as a result of the sole, joint, or concurrent negligence, gross negligence, negligence per se, statutory fault, intentional torts, or strict liability of RELEASEES.**
2. INDEMNITY CLAUSE. I am fully aware that there are inherent risks to myself and others involved with this activity, including but not limited to all events and activities, and I choose to voluntarily participate in this activity with full knowledge that the activity may be hazardous to me and my property, and to the person and property of others. I acknowledge there may be physically strenuous activities. I know of no medical reason why I should not participate. **I agree to indemnify and hold harmless INDEMNITEES** from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney’s fees and expenses, which may occur to myself, other participants, and third-persons as a result of my participation and conduct in this activity, **including injuries sustained as a result of the sole, joint, or concurrent negligence, gross negligence, negligence per se, statutory fault, intentional torts, or strict liability of INDEMNITEES.**
3. COVID-19. I expressly acknowledge the health risks and dangers associated with the transmission of the COVID-19 virus, and other communicable diseases, and recognize that exposure to the COVID-19 virus, or other communicable diseases, could occur while my child is in the care of sponsor. As such, and as additional consideration for participation in the activity, I understand the waiver and indemnity provisions in paragraphs (1) and (2) above apply to the possibility of COVID-19 community spread. I certify that prior to leaving my child in the care of the sponsor that my child: (a) has not been diagnosed or is suspected to have COVID 19, (b) does not have any of the coronavirus symptoms listed on the CDC’s Symptoms of Coronavirus page, (c) has not in the past 14 days had close contact (less than six feet) with a person who has a lab-confirmed case of COVID-19, (d) has not in the past 14 days had close (less than six feet) contact with a person who is awaiting results of a COVID-19 test because of COVID-19 symptoms or exposure, or (e) in the past 14 days has not returned from international travel or traveled through an area with state or local restrictions that mandate quarantine upon arrival home. I also certify that each time I leave my child in the care of the sponsor, I have conducted a daily assessment on my child and that he/she is not exhibiting any of the above signs or symptoms of, or exposure to, COVID-19.
4. NO INSURANCE. I understand that RELEASEES do not maintain any insurance policy covering any circumstance arising from my participation in this activity or any event related to that participation. As such, I am aware that I should review my personal insurance coverage. Sponsor does not carry general liability insurance to cover claims arising from this activity so it seeks a waiver of claims as additional consideration for the right to participate so sponsor, a governmental unit of the State of Texas, can (a) provide the activity at the lowest possible cost to participants; and (b) provide access to a greater number of participants by expending limited resources on program materials rather than on liability insurance.
5. BINDS HEIRS. It is my express intent that this agreement shall bind the members of my family and spouse, if I am alive, and my heirs, assigns and personal representatives, if I am deceased, and shall be governed by the laws of the State of Texas.
6. MEDICAL AUTHORIZATION, INDEMNITY FOR MEDICAL EXPENSES, and WAIVER. I understand RELEASEES cannot be expected to control all of the risks associated with this activity and RELEASEES may need to respond to accidents and potential emergency situations. Therefore, I hereby give my consent for any medical treatment that may be required, as determined by a medical professional at the medical facility, during my participation in this activity with the understanding that the cost of any such treatment will be my responsibility. I agree to indemnify and hold harmless INDEMNITEES for any costs incurred to treat me, even if an INDEMNITEE has signed hospital documentation promising to pay for the treatment due to my inability to sign the documentation. I further agree to release, waive, covenant not to sue, and agree to hold harmless for any and all purposes, RELEASEES from any and all liabilities, claims, demands, injuries (including death), or damages, including court costs and attorney’s fees and expenses, that may be sustained by me while receiving medical care or in deciding to seek medical care, including while traveling to and from a medical care facility, **including injuries sustained as a result of the sole, joint, or concurrent negligence, negligence per se, gross negligence, statutory fault, intentional torts, or strict liability of RELEASEES.**

7. **NO STRICT RULES OF CONSTRUCTION.** In the event of a dispute over the meaning or application of this agreement, it shall be construed fairly and reasonably and neither more strongly for nor against either party.
8. **VOLUNTARY SIGNATURE.** In signing this agreement I acknowledge and represent that I have read it, understand it, and sign it voluntarily as my own free act and deed; sponsor has not made and I have not relied on any oral representations, statements, or inducements apart from the terms contained in this agreement. I execute this document for full, adequate and complete consideration fully intending to be bound by the same, now and in the future. **For youth engaging in extracurricular activities:** I understand I can choose not to sign this document and free myself from its terms and the associated risks of the activity by simply not participating in the activity and choosing some other activity available to me that has a lower level of risk to me. I further understand this is a voluntary, extracurricular activity.
