Counties may also use their County 4- H Council members to create a team.

**Contest Procedures** 

### **CONTEST COMPONENTS**

There are two (2) components to the Leaders 4 Life Skillathon Contest for all age divisions. The contest components are *Parliamentary Procedure Demonstration* and *Question & Answer Session*.

### PARLIAMENTARY PROCEDURE DEMONSTRATION PROCEDURE

- Each team will consist of four (4) to six (6) members, including at a minimum the president, vice president, secretary, and treasurer. Up to two additional team members can be in any position—such as reporter or recreation leader—or just as members of the club. *Officer positions are determined by the team in advance.*
- The teams will present a simulated 4-H meeting no longer than the specified time for their age division. Five points will be deducted from the average score for every minute over the time limit. That is, if a senior age division meeting goes over 20 minutes, the team will receive a 5-point deduction; over 21 minutes a 10-point deduction, over 22 minutes a 15-point deduction, and so on. The deductions will be handled in tabulation. The timekeeper will keep track of the length of presentations and provide the information for tabulation.

Age Division	Parliamentary Procedure
	<b>Demonstration Time Limit</b>
Senior	20 Minutes
Junior/Intermediate	15 Minutes

- Two examples of problems are provided to help teams prepare.
- The teams will be given problems to incorporate into the demonstration (see samples include in this letter). A skeleton agenda will also be provided at the event. The teams must demonstrate all actions on the score sheet (required motions). They must incorporate the required motions into their demonstration, even if they are not listed in the contest problem. The additional problems may incorporate any of the motions listed below for the respective age division.

- Each team must provide its own minutes, treasurer's report, letter of communication, and committee report. Prepared scripts are not allowed. Contest officials will check these materials before the team enters the planning room and collect them at the end of its presentation.
- Before the demonstration, each team will have 15 minutes to discuss the order of business and the problems of new business with fellow teammates in the planning room. No coaches, parents, agents, or other 4-H members not part of the team will be allowed in the planning room. Contestants may make notes on their agendas during the planning time.
- Use of the gavel: The gavel is a symbol of authority. It is used by the president to maintain order and keep the meeting running smoothly. To use the gavel properly, the president should stand squarely and firmly on both feet, grasp the handle of the gavel firmly, and rap the table or gavel block authoritatively, with well-spaced taps. The gavel is used to:
  - Call the meeting to order: two taps
  - Tell members to be seated: one tap
  - Ask all members to rise: three taps
  - Maintain order: several taps
  - Follow the announcement of the result of a vote: one tap (this is a special rule for 4-H and supersedes the rules in Robert's Rules of Order)
  - Adjourn or recess the meeting: one tap (if desired)
- The maximum number of points for this section of the contest is 240 points.

### PARLIAMENTARY PROCEDURE DEMONSTRATION PROCEDURE

- Each Intermediate and Senior team will be asked twelve (12) questions.
- These questions will be rotated through the team members in this order: President/Vice President/Secretary/Treasurer/ Member 1, etc. When all team members have been asked the first question, the rotation will start over until all 12 questions have been asked.
- Each contestant must begin a response within 10 seconds and complete the answer within 1 minute.
